

GENERAL TEST – CIRCUIT POLICY 2017

DPRL's General Test days are offered to the UK Motorsport market as an opportunity to test your car at Donington, and to prepare driver and car set-up, in a relaxed but professional environment.

Therefore all test participants should note the following simple Regulations.

1. No insurance cover is provided by Donington Park Racing Ltd (DPRL) for your vehicle.
2. You will not be allowed onto the track to test unless you have signed on at Race Control.
3. Driver/s must sign on with a current valid MSA or FIA-ASN sanctioned Competition Race Licence.
4. No passengers are permitted on General Test days (*except Instructors - see Rule 4a*)
4a – Instructors* are permitted to sit alongside the Signed-on driver. *Such Instructors must have a valid current ARDS Instructors Licence, Grade A or S only. Instructors are given a different coloured wristband when they sign on to identify them as an Instructor.
5. All Driver/s must wear FULL race clothing, including FIA-approved race suits and helmets.

The only exception to this is the MSA Formula Drivers (**Must be 15 yrs at the time of testing**), who hold an MSA Competition Licence for that category and are listed on the list provided by the MSA.
8. All other drivers under the age of 16 may only participate in dedicated Young Driver track sessions, not General Test days, booked in advance, & insured by the relevant championship organiser.
9. Any driver who is considered by DPRL staff to be driving or behaving dangerously or inappropriately at any time, will be asked to leave the circuit immediately, without any refund of their test fee.
10. Note that unless stated otherwise, General Test Days are “**Open Pit Lane**”; therefore, there will be mixed classes/formulas, open and closed wheel cars all on track together.
11. **Please be aware there may be inexperienced drivers on track with Instructors, and also young drivers in MSA Formula Cars.**
12. On our “Silenced” Test Days a 98dBA noise limit will be strictly enforced. After-market road legal exhaust systems will be allowed; provided they conform to the noise limit. You will be asked to leave the circuit if you are found to be over the noise limit.
13. The consumption of alcohol or drugs by any Test Day participant is strictly prohibited. By signing on, you agree that you may be tested for alcohol or drugs at any time.
